## II

(Közlemények)

AZ EURÓPAI UNIÓ INTÉZMÉNYEITŐL, SZERVEITŐL, HIVATALAITÓL ÉS  
ÜGYNÖKSÉGEITŐL SZÁRMAZÓ KÖZLEMÉNYEK

## EURÓPAI BIZOTTSÁG

## ZÖLDSÉGFAJOK

## Közös fajtajegyzéke – H 2023/3. kiegészítés

(EGT-vonatkozású szöveg)

(2023/C 289/01)

1. A Zöldségfajok Közös Fajtajegyzékének 2022. évi egységes szerkezetbe foglalt változatához <sup>(1)</sup> fűzött jelen kiegészítés azokat a módosításokat tartalmazza, amelyek a tagállamoktól a Bizottsághoz érkezett információk alapján szükségsszerűnek mutatkoztak.
2. Az egységes szerkezetbe foglalt változat magyarázatai irányadóak, azonban ez a kiegészítés eltér az egységes szerkezetbe foglalt változatban alkalmazott felosztástól abban, hogy a 2. oszlopban szerepel mind az „EU-s engedélyező ország”, mind pedig az „EFTA engedélyező ország”.
3. Ez a kiegészítés a 2023. február 17. és 2023. június 20. között beérkezett értesítéseket tartalmazza.
4. Az egységes szerkezetbe foglalt változat módosításai a következőképpen jelennek meg az „Action & Info” oszlopban:
  - (add.): új bejegyzés kerül bevezetésre a közös fajtajegyzékbe,
  - (mod.): egy meglévő bejegyzés módosul. Az e bejegyzésre vonatkozóan a jelenlegi kiegészítésben szereplő adatok az egységes szerkezetbe foglalt változatban szereplők helyébe lépnek,
  - (del.): a bejegyzés és a hozzá kapcsolódó összes adat törlésre kerül a közös fajtajegyzékből.
5. Ez a kiegészítés a 2002/55/EK tanácsi irányelv <sup>(2)</sup> 16. cikkének (1) bekezdésében meghatározott rendelkezések hatálya alá tartozó bejegyzett fajtákat érinti.
6. Ha az egységes szerkezetbe foglalt változatban nincs feltüntetve a fenntartó kódja, a fenntartó nevét és címét az érintett tagállam vagy EFTA-ország esetében megjelölt hatóságnál lehet beszerezni.

<sup>(1)</sup> Egységes szerkezetbe foglalt változat, 2022. december 22.: [https://ec.europa.eu/food/plant/plant\\_propagation\\_material/plant\\_variety\\_catalogues\\_databases\\_en](https://ec.europa.eu/food/plant/plant_propagation_material/plant_variety_catalogues_databases_en)

**A MEZŐGAZDASÁGI NÖVÉNYFAJOK****Közös fajtajegyzéke – „A 2023/3.” kiegészítés**

(EGT-vonatkozású szöveg)

(2023/C 289/02)

1. A Mezőgazdasági Növényfajok Közös Fajtajegyzékének 2022. évi egységes szerkezetbe foglalt változatához <sup>(1)</sup> fűzött jelen kiegészítés azokat a módosításokat tartalmazza, amelyek a tagállamoktól a Bizottsághoz érkezett információk alapján szükségszerűnek mutatkoztak.
2. Az egységes szerkezetbe foglalt változat magyarázatai irányadóak, azonban ez a kiegészítés eltér az egységes szerkezetbe foglalt változatban alkalmazott felosztástól abban, hogy a 2. oszlopban szerepel mind az „EU-s engedélyező ország”, mind pedig az „EFTA engedélyező ország”.
3. Ez a kiegészítés a 2023. február 17. és 2023. június 20. között beérkezett értesítéseket tartalmazza.
4. Az egységes szerkezetbe foglalt változat módosításai a következőképpen jelennek meg az „Action & Info” oszlopban:
  - (add.): új bejegyzés kerül bevezetésre a közös fajtajegyzékbe,
  - (mod.): egy meglévő bejegyzés módosul. Az e bejegyzésre vonatkozóan a jelenlegi kiegészítésben szereplő adatok az egységes szerkezetbe foglalt változatban szereplők helyébe lépnek,
  - (del.): a bejegyzés és a hozzá kapcsolódó összes adat törlésre kerül a közös fajtajegyzékből.
5. Ez a kiegészítés a 2002/53/EK tanácsi irányelv <sup>(2)</sup> 16. cikkének (1) bekezdésében meghatározott rendelkezések hatálya alá tartozó bejegyzett fajtákat érinti.
6. Ha az egységes szerkezetbe foglalt változatban nincs feltüntetve a fenntartó kódja, a fenntartó nevét és címét az érintett tagállam vagy EFTA-ország esetében megjelölt hatóságnál lehet beszerezni.

<sup>(1)</sup> Egységes szerkezetbe foglalt változat, 2022. december 22.: [https://ec.europa.eu/food/plant/plant\\_propagation\\_material/plant\\_variety\\_catalogues\\_databases\\_en](https://ec.europa.eu/food/plant/plant_propagation_material/plant_variety_catalogues_databases_en)

<sup>(2)</sup> HL L 193., 2002.7.20., 1. o.
