

CONTENTS TO THE ISSUES 11. - 20. (1969-1972) OF THE ŐSLÉNYTANI
VITÁK

(DISCUSSIONES PALAEONTOLOGICAE)

compiled by

Zs. JANTSKY

- BÁLDI, T. : Secretary's report on the activities of the Section of Paleontology and Stratigraphy in the years 1966-1968. fasc. 12. (1969), pp. 1-5. (In Hungarian)
- BÁLDI, T. : The principles of stratigraphical classification and nomenclature. fasc. 17. (1971), pp. 23-54. (In Hungarian)
- BÁLDI, T. - MIHÁLY, S. : New Upper Oligocene mollusc fauna from the Dömös-Rámszakadék area. fasc. 11. (1969). pp. 1923. (In Hungarian)
- BÁLDI, T. - BORZA, T. - HORVÁTH, M. : Egerian fauna from the Károlyi Gardens (Budapest). fasc. 20. (1972). pp. 77-78. (In Hungarian)
- BÁLDI-BEKE, M. : The nannoplankton of the Bryozoan and Buda Marls (Paleogene of Budapest, Hungary). fasc. 16. (1970). pp. 31-49. (In Hungarian, with English abstract)
- BARABÁS - STUHL, Á. : Palynological studies on the Late Paleozoic of Borehole Polgárdi 2., Transdanubia, Hungary. fasc. 18. (1971), pp. 21-50. (In Hungarian, with English abstract)

- BARTHA, F.: In memoriam Dr. Z. Schréter. fasc. 16. (1970), pp. 5-7. (In Hungarian)
- BODA, J. - MONOSTORI, M.: Contributions to the formation of the "Buda Marls" (Paleogene). fasc. 20. (1972), pp. 63-70. (In Hungarian, with English abstract)
- BOGSCH, L. - NAGY Es.: Report on the 1968 Session of the International Paleontological Union. fasc. 12. (1969), pp. 25-34. (In Hungarian)
- BORZA, T.: viz. BÁLDI, T.
- CSEPREGHY-MEZNERICS, I.: Discussion in the Colloquium on "Methods of Stratigraphical Correlation and Classification". fasc. 19. (1972), p. 11. (In Hungarian)
- DETRE, Cs.: Recent results of the studies on the Csóvár - Nézsá Triassic. fasc. 11. (1969), pp. 9-17. (In Hungarian)
- DETRE, Cs.: The distribution of the brachiopods in the Triassic time. fasc. 15. (1970), pp. 47-67. (In Hungarian)
- DETRE, Cs.: The revision of *Kansuella transdanubica* FÖLDVÁRI 1952. fasc. 16. (1970), pp. 51-55. (In Hungarian, with English abstract)
- DETRE, Cs.: Revision of the brachiopods from the Carboniferous of Szabadbattyán, Transdanubia, Hungary. fasc. 18. (1971), pp. 77-88. (In Hungarian, with English abstract)
- DETRE, Cs.: Corrections to the nomenclatural revision of a Middle Triassic *Spiriferida* species. fasc. 18. (1971); pp. 95-99. (In Hungarian and English)

- DETRE, Cs. : Discussion in the Colloquium on "Methods of stratigraphical Correlation and Classification". fasc. 19. (1972), pp. 12-14. (In Hungarian)
- DETRE, Cs. : - JANKOVICH, I. : Micro-and macrofaunas from the basal Upper Oligocene in the Eger-region (North-East Hungary). fasc. 16. (1970), pp. 19-30. (In Hungarian, with English abstract)
- DETRE, Cs. - NAGY, El. : Asterozoans from the Seizian of the Bakony Mountains, Hungary, fasc. 18 (1971), pp. 89-94. (In Hungarian, with English abstract)
- DUDICH, E. : Colloquium on Eocene Stratigraphy, Budapest-Tihany, September 6-8, 1969. fasc. 15. (1970), pp. 31-46. (In Hungarian and English)
- FÜLÖP, J. : The topicalness of the studies on the basic concepts of stratigraphy (Presidential opening of the discussions on "Methods of Stratigraphical Correlation and Classification", a Colloquium) fasc. 19. (1972), pp. 5-9. (In Hungarian)
- GALÁ CZ, A. - VÖRÖS, A. : Report on the William Smith Bicentenary International Field Symposium on the British Jurassic, April, 1969. fasc. 13. (1969), pp. 57-64. (In Hungarian)
- GÉ CZY, B. : Paleontological experiences of a study-tour in France. fasc. 12. (1969), pp. 6-24. (In Hungarian)
- GÉ CZY, B. : Biostratigrafische Auswertung der Pliensbach-Schichten von Kericser (Bakony-Gebirge, Ungarn). fasc. 14. (1970), pp. 45-59. (In Hungarian, with German abstract)

- GÉCZY, B.: The principles of biostratigraphical correlation, fasc. 17. (1971), pp. 3-13, (In Hungarian)
- GÉCZY, B.: Discussion in the Colloquium on "Methods of Stratigraphical Correlation and Classification". fasc. 19. (1971), pp. 15-16. (In Hungarian)
- GÉCZY, B.: Biostratigraphical evaluation of Lower Jurassic ammonite faunas from the Bakony Mountains, fasc. 20 (1972), pp. 17-21. (In Hungarian)
- GÓCZÁN, F.: Contributions to the study of the microplankton of the Silurian siliceous shales at Asóórs, Szalatnak and Uppony. fasc. 18. (1971), pp. 13-20. (In Hungarian, with English abstract)
- HAJÓS, M.: Discussion in the Colloquium on "Methods of Stratigraphical Correlation and Classification". fasc. 19. (1971), pp. 17-18. (In Hungarian)
- HÁMOR, G.: Sedimentological principles of the stratigraphical correlation, fasc. 17. (1971), pp. 15-21. (In Hungarian)
- HORUSITZKY, F.: Discussions in the Colloquium on "Methods of Stratigraphical Correlation and Classification". fasc. 19. (1971), pp. 19-36. (In Hungarian)
- HORVÁTH, M.: viz. BÁLDI, T.
- HURSÁN, L.: Discussion in the Colloquium on "Methods of Stratigraphical Correlation and Classification". fasc. 19. (1971), pp. 37-40. (In Hungarian)

- JANKOVICH, I.: viz. DETRE, Cs.
- JÁNOSSY, D.: A new eomyid (Rodentia, Mammalia) from the Lowest Pleistocene of Hungary. fasc. 13. (1969), pp. 5-40. (In Hungarian, with English abstract)
- JÁNOSSY, D.: Discussion in the Colloquium on "Methods of Stratigraphical Correlation and Classification". fasc. 19. (1972), pp. 41-42. (In Hungarian)
