I dreamt I joined the Air Force and I would exceed Major Bong's record of 40 planes and set a new record of planes shot by United States soldiers. I was on a similar mission over the enemy lines. I  
in an open field or perhaps a large pond parking area, near the airport. The  
I had 40 enemy airplanes to my credit. All I had to do was start down the main plane and I could expect to hit
