

**3rd INTERNATIONAL GEOSCIENCES CONFERENCES
27- 31 MAY 2012, Belgrade, Serbia**

Dear Colleagues and Friends, AGES wishes you Merry Christmas and a Happy New Year!

We are very happy to announce that next May two very important international events will be co-organized with the key Societies in the field of Geosciences.

The first event is:

**3rd International Professional Conference
Geosciences and Environment
27-29 May 2012**

For more information about *Professional Conference* visit www.agserbia.com

Technical exhibition: 27-31 May 2012*

*Exhibition during *Professional Conference*: 27 -29 May

*Exhibition during *Student Conference*: 29 - 31 May

***Exhibitors at the Professional Conference have 50% discount for the booth at Student Conference*

The second event is:

**3rd International Geosciences Student Conference
29-31 May 2012**

The Conference will be organized by Geosciences Student Chapters of Serbia and supported by:

- SEG/ExxonMobil SEP
- SEG Challenge Bowl
- Short Courses/Distinguished Lecturers
- Job Opportunity
- Travel Grants/Networking bus
- Field trips and many more events...

Belgrade
