

## Guide for Authors

Acta Silvatica et Lignaria Hungarica (ASLH) publishes original reports and reviews in the field of forest, wood and environmental sciences. ASLH is an open access journal and publication is free of any charges and costs. The journal is published twice a year (Nr. 1 and 2) in serial volumes online and in print. The content of articles as well as all information related to publishing are accessible online under: <https://journal.uni-sopron.hu/index.php/aslh>

Submission of an article implies that the work has not been published previously (except in the form of an abstract or as part of a published lecture or academic thesis), that it is not under consideration for publication elsewhere. Articles should be written in English. All papers will be reviewed by two independent experts.

Authors of papers accepted for publication should sign all the applying agreements between authors and the publisher. All agreements, terms and conditions as well as the instructions for preparation of manuscripts can be downloaded from the homepage. *Authors are highly encouraged to use the article template, which includes guidelines to quality of scientific content, formatting of text, tables and figures as well as to the use references.*
